Re: MEC Heavy Plans w/ Limited Medical - Annual Legal Notices

**[Special Enrollment Periods, Reminder HIPAA Notice of Privacy, Notice of Creditable Coverage, Women's Health & Cancers Rights Act Notice, Premium Assistance under Medicaid & CHIP]**

### NOTICE OF CERTAIN SPECIAL ENROLLMENT PERIODS

#### Loss of Other Coverage

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer offering that other coverage stops contributing toward your or your dependents' other coverage). However, you need to state in writing at the time that you decline enrollment that you are declining because of other coverage, and you must request special enrollment within 30 days after your or your dependents' other coverage ends (or after the employer offering that other coverage stops contributing toward the other coverage).

#### New Dependent

In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption or placement for adoption.

#### Medicaid or State Sponsored Children Health Insurance Program ("CHIP")

Special enrollment also is allowed for you and your dependents who are eligible for coverage but not enrolled if:

- 1) Your or your dependent's Medicaid or CHIP coverage is terminated as a result of loss of eligibility and you request enrollment within 60 days after that termination, or
- 2) You or your dependent becomes eligible for a premium assistance subsidy under Medicaid or CHIP, and you request enrollment within 60 days after eligibility is determined.

To request special enrollment or obtain more information, contact your human resources representative.

Every three years we are required to provide you with a reminder of our NPP. You may obtain a copy of our NPP by contacting (fill in name of office that maintains the NPP, address and telephone number) or by e-mail at (give e-mail address if applicable).

### **NOTICE OF NON-CREDITABLE COVERAGE**

**Important Notice from Your Employer about Your Prescription Drug Coverage and Medicare  
[Applies if you enroll in the employer group health plan mentioned at the beginning of this memo.]**

**This message is intended for any and all employees and/or their dependents that are or may be eligible for Medicare. If you or your dependents are eligible for Medicare, please retain this notice for your records.**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with your Employer and about your options under Medicare's prescription drug coverage. This information can help you decide whether you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

**There are three important things you need to know about your current coverage and Medicare's prescription drug coverage:**

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Key Benefit Administrators has determined that the prescription drug coverage offered by your plan through your Employer is, on average for all plan participants, NOT expected to pay out as much as standard Medicare prescription drug coverage pays. Therefore, your coverage is considered Non-Creditable Coverage. This is important because, most likely, you will get more help with your drug costs if you join a Medicare drug plan, than if you only have prescription drug coverage from your Employer plan. This also is important because it may mean that you may pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.
3. You can keep your current coverage from your Employer. However, because your coverage is non-creditable, you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When

you make your decision, you should compare your current coverage, including what drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Read this notice carefully – it explains your options.

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> through December 7<sup>th</sup>. However, if you decide to drop your current coverage with your Employer, since it is employer/union sponsored group coverage, you will be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan; however, you also may pay a higher premium (a penalty) because you did not have creditable coverage under your Employer's plan. If you are losing creditable prescription drug coverage under your plan, you may also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

Since the coverage under your Employer plan is not creditable, depending on how long you go without creditable prescription drug coverage you may pay a penalty to join a Medicare drug plan. Starting with the end of the last month that you were first eligible to join a Medicare drug plan but didn't join, if you go 63 continuous days or longer without prescription drug coverage that is creditable, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

### **What Happens To Your Current Coverage If You Decide To Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current Employer coverage will not be affected. If you do decide to join a Medicare drug plan and drop your current Employer coverage, please be aware that you and your dependents may not be able to get this coverage back.

### **For More Information about This Notice or Your Current Prescription Drug Coverage...**

For more information, please contact the person listed below or call your human resources department. Note: You will get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through your Employer changes. You also may request a copy of this notice at any time.

## For More Information about Your Options under Medicare Prescription Drug Coverage...

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2019. Contact your State for more information on eligibility –**
